

Matching gift programs can double or even triple the impact of your contribution!

double your impact

Lambda Legal's partnerships with the business community have played an integral role in our successes. Thousands of companies nationwide help support our litigation, education and public policy work through workplace-giving and matching-gift programs.

Workplace-giving programs make it easy to support Lambda Legal. If your employer offers this program, you can sign up to have a contribution deducted from your paycheck and sent to Lambda Legal on a regular basis. You will receive a tax deduction for your charitable contribution as well as the satisfaction of helping Lambda Legal remain at the forefront of the fight for equality.

Some employers also offer matching-gift programs, which can double or even triple the impact of your contribution. If you work for a company that offers a matching-gift program, be sure to include a matching-gift form (available from your employer) when you make your contribution to Lambda Legal.

To learn more about how you can participate in your workplace-giving programs, check with your employer or contact Sarah Ogden at 212-809-8585, ext. 226 or sogden@lambdalegal.org. For a list of companies that have matched gifts to Lambda Legal in the past, visit www.lambdalegal.org/matching-gifts.
